

We would like to thank everyone who turned out to support our August tournament, the "DOVE SEASON SHELL SAVER." 62 shooters posted some great scores on very tricky targets! As one shooter put it best, "No targets were too crazy hard, everything was hittable, but no gimmies either...you really had to pay attention."

Top honors went to Bob Leeds, HOA with a "great" 89 on the Black course. Pete Grady at 88 was RU. On the Green it was Bob Thickens, HOA with an outstanding 93 and Phil Puckorius also at 93 RU, decided by tie breaker.

For the combined it was Billy Yacktman, HOA with 177, followed by Andy Busalacchi, RU @ 173 tied with Jon Porter, 3rd also at 173, decided by tie breaker.

Our next shoot, the "FALL TUNE UP" will be held on September 10 & 11. We hope to see you there.

For more detailed results, including station scores, please visit the ISCA website, or the WSCA, Wisconsin Sporting Clays Assn. website and click Event Results.

Our website, www.uplandhuntclubandsportingclays.com is being redesigned. It is still viewable. The new site will be up as soon as our webmaster is finished with it.

Thanks Again! Mike, Sherry, Will & the Boys
