

We would like to thank everyone who turned out to support our latest shoot the "Dove Season Shell Saver." Despite the threat of rain all day on Sunday & the impending radar images, it never did more than spit a couple of times. Bright and sunny on Saturday with no more than a 15 mph south breeze, conditions were almost perfect; and some big scores were shot.

Sunday's overcast and stiff south winds were a different story. Visibility was low and the targets were being bounced around pretty good. Stations #11 & #12 were turned into MONSTERS. #11's true pair was at least an honest 60 to 80 yards depending on which way you took them and #12's tail wind made both overhead targets much faster and dropping lower. Despite this some great scores were shot on both stations. Check out the station scores below and you'll see what I mean.

For those who liked the battue, thank you, for those who didn't, try to remember 11 & 12 were the separators for the top shooters. Anyone who has shot doves for any length of time has seen those pairs in the field.

A new name has been added to the long list of tournament winners at Upland. Congratulations to Milt Schwanke for HOA on the Black Course with an outstanding 92! Milt, I hope you gave that guy you got the lesson from a BIG tip. Nice shooting. He was followed closely by Dan Roeschli, Bob Mc Laren & Diego Duarte all @ 91, with Miguel Leal @ 90 and Andy Ackmann @ 89. All great scores!!!

HOA on the Green went to our good friend Dave Lauzen who smoked a 93. Ralph Everson tied Dave @ 93 for second by tie breaker. Diego Duarte & Michael Everson both turned in an 89 with Miguel Leal @ 88.

HOA in the combined went to Ralph Everson with 181, Diego Duarte was second @ 180 & Miguel Leal came in third with 178. All great performances!!!

Our next shoot is September 5th & 6th, the "Fall Tune Up." Hope to see you there.

Thanks again! Mike, Sherry, Will & Derek
