

We would like to thank everyone who attended the ISCA North Zone Championship at Upland this weekend. As most of you know things were pretty interesting Saturday morning with 4 traps under water, 2 of which completely submerged. We appreciate your patience and understanding by starting on station 5 and giving us enough time to get the traps up on blocks so they could operate in the same location they were in on Friday. I can truly say this was the first time in 15 years of target setting I ever had to go underwater to fix a trap!

You should know those four traps ran all day with the electronics and motors completely submerged with only one short delay on station 4. A true testimonial to the reliability of Pro Matic Traps!

Michael Everson continued his rise to dominance of the field by shooting a 95 on the Championship Black Course and a 93 on the Green Course for combined total of 188 making him HOA in all three.

Bob (The Duke) Davis was close on Michael's heels with a 94 on the Black and a 92 on the Green for a combined 186; both competitors turning in great performances on very challenging targets.

Other top finishers were Mike Smrz with 91 Black & 85 Green for 3<sup>rd</sup> in the combined at 176 and "Digger" Dan Roeschli 84 Black & 90 Green for a combined 174. Miguel Leal and Joe Breskovich both shot a 90 on the Black Course to round out other top scores.

Our next shoot is the "Top Gun Rally" on July 25 and 26. We hope to see you there.

Our sincere thanks for your support and all the kind words,

Mike, Sherry, Will & the boys.
